

Product Data Sheet

FLEX ORANGE POWER CLEANER

DESCRIPTION

Flex Orange Power is an all natural citrus extract solvent degreaser deodorizer which is designed for a multitude of industrial and institutional cleaning, degreasing and deodorizing applications.

Micro-micellular technology is used to blend Dextro-limonene and other premium citrus extracts with mixed ionic emulsifiers to yield a product with the highest theoretical cleaning ability and maximum emulsification properties.

FEATURES

- All biodegradable formula
- Contains all natural citrus extracts
- Non corrosive and safe for all metal surfaces
- Multipurpose
- Strong, clean, citrus odor

BENEFITS

- The strength of a petroleum product in an environmentally safe formula.
- Contains no hazardous ingredients as defined by OSHA regulations.
- May be used on any type of ferrous or non-ferrous metals including aluminum, copper, and brass.
- Used for parts washing, grease trap cleaning, sewer plant cleaning and deodorizing, dissolving tar and many other applications.
- Cleans without petroleum odors and leaves a pleasant citrus scent.

USES

Tar & Asphalt Removal: To emulsify tar, asphalt, bitumen and asphalt-based plastic cement, apply Flex Orange Power undiluted to the soiled surface by spraying, mopping or pouring. Allow to stand 2-4 minutes for deep penetration, agitate if necessary. Rinse with water preferably under pressure.

Remove Stains from Concrete: Remove oil stains from concrete. Pour Flex Orange Power directly on stain. Allow 3-5 minutes to dissolve stain, rinse off.

Sticker Removal: Pour Flex Orange Power on cloth and apply to area being cleaned. Rub until adhesive is removed.
