***NOTE:**

For more information on warranty charges and contractor eligibility contact Flex's Sales Department.

The initial roof inspection is a service offered by Flex's Technical Services Department at no charge. For any warranty correction, such as amendments to an existing warranty or replacement for loss of original warranty there will be a charge of \$100.00. Should it be necessary for a second inspection, the charge will be \$300.00 per day plus expenses.

There are no exceptions to this policy unless approved in writing by an officer of Flex prior to the placing of the material order for the job.

****Payment for warranty must be received by FLEX prior to the issuance of the warranty.****
